

# 13<sup>th</sup> European Conference on Computational Biology

**STRASBOURG • FRANCE**  
**7-10 SEPTEMBER 2014**

Sept. 6-7: **tutorials and workshops**  
Sept. 7-10: **main conference**

Conference chairs

**Marie-Dominique Devignes** (Chair)  
CNRS, Université de Lorraine, France

**Yves Moreau** (Co-Chair)  
University of Leuven, Belgium

## Keynote speakers

**Jean-Marie Lehn**  
Nobel Laureate in Chemistry (1987),  
University of Strasbourg, **France**.

**Patrick Aloy**  
ICREA Research Professor at the Institute  
for Research in Biomedicine  
(IRB Barcelona), Barcelona, **Spain**.

**Ewan Birney**  
Joint-Director of European Bioinformatics  
Institute, Hinxton, **United Kingdom**.

**Doron Lancet**  
Professor in the Department of Molecular  
Genetics, Head of the Crown Human  
Genome Center, The Weizmann Institute of  
Science, Rehovot, **Israel**.

**Nada Lavrač**  
Head of Department of Knowledge  
Technologies, Jožef Stefan Institute and  
part time Professor at University of Nova  
Gorica, **Slovenia**.

**Alice Carolyn McHardy**  
Head of the Department for Algorithmic  
Bioinformatics at HHU Düsseldorf and the  
Computational Biology Department at the  
Helmholtz Center for Infection Biology in  
Braunschweig, **Germany**.

**Eric Westhof**  
Professor at the University of Strasbourg,  
Director of the Institute of Molecular and  
Cellular Biology CNRS, Strasbourg, **France**
